Factory Production Control (FPC) 2273 – CPR – 0307

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR) it has been stated that the construction product:

Structural Components for Steel Structures

Harmonised	Type / Execution Class of the Construction Product	Declaration Method
BS EN 1090-1: 2009 + A1:2011	Load bearing and welded structural steel components up to EXC 4 according to BS EN 1090-2:2018	1, 2, 3a and 3b table A.1 of BS EN 1090-1; 2009 +
T A1.2011	to EAC 4 according to BS EN 1090-2.2016	A1:2011

placed on the market by

Power System Services Ltd

and produced in the factory(ies):

Carrwood Road, Sheepbridge, Chesterfield, S41 9QB

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 2273 – Steel Construction Certification Scheme Ltd - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

Attestation This certificate attests that all provisions concerning the attestation of factory

production control described in Annex ZA of the standard:

BS EN 1090-1: 2009 + A1:2011 were applied.

Date of first issue 31 August 2014

Date of this issue 24 July 2019

Date of expiry 31 July 2021

Validity Period This certificate remains valid as long as the conditions laid down in the

harmonised standard in reference or the manufacturing conditions in the

factory or the FPC itself are not modified significantly.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by Steel Construction Certification Scheme Ltd. Further clarification regarding the scope of this certificate and the applicability of the relevant standards requirements (see welding certificate) may be obtained by consulting Steel Construction Certification Scheme Ltd.

Welding Certificate

2273 - CPR - 0307 - WC

In compliance with BS EN 1090-1:2009+A1:2011, table B.1, the following has been stated:

This Welding Certificate is an

annex to the EC-Certificate of the Factory Production Control (FPC) 2273 – CPR – 0307

This Welding Certificate is only valid in conjunction with the aforementioned EC-Certificate in the scope of the Construction Products Regulation or CPR.

Manufacturer

Power System Services Ltd

Facilities of the Manufacturer:

Carrwood Road, Sheepbridge, Chesterfield, Derbyshire, S41 9QB

Standard

BS EN 1090-2:2018

Execution Class

up to EXC 4 according BS EN 1090-2:2018

Welding Process(es)

111 - manual metal arc welding

121 – submerged arc welding with solid wire electrode (partly mechanized)

135 - MAG welding with solid wire electrode

Base Material(s)

S355 J2+N according to BS EN 10025-2 BS EN ISO 9606-1:2013 BS EN 287-1:2011

Responsible Welding Coordinator Chris Murgatroyd - IWE/EWE (up to and including EXC 4)

Alternate

Adrian Wainwright – competence assessed by SCCS approved course

(up to and including EXC 2)

Attestation

This certificate attests that all procedures for the execution and surveillance

of welding works in connection with BS EN 1090-1:2009+A1:2011 are

implemented.

Date of first issue

31 August 2014

Date of this issue

24 July 2019

Date of expiry

31 July 2021

Validity Period

This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the

factory or the FPC itself are not modified significantly.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by Steel Construction Certification Scheme Ltd. Further clarification regarding the scope of this certificate and the applicability of the relevant standard's requirements may be obtained by consulting Steel Construction Certification Scheme Ltd.
